

## BAYPOINT PREPARATORY ACADEMY

### Chromebook Protection Plan

With the rollout of our new 1:1 Chromebook Program, Baypoint Preparatory Academy (“BPA” or “School”) is pleased to offer parents/guardians an optional, low cost plan ( the “Optional Protection Plan”) to cover accidental loss and damage to your student’s Chromebook. Under the Optional Protection Plan, your student’s Chromebook (“Device”) is protected against accidental damage, theft or loss. If the Optional Protection Plan is waived, you will be responsible to pay for the repair or replacement of your student’s Device if it is stolen, lost or damaged, regardless of the circumstances leading to its loss or damage. It is important to understand that failure to pay for the repair or replacement of a Device will be treated like any other School debt and may preclude your student from participating in extracurricular, sports and graduation activities. **The full replacement cost of the Device being issued to your student is currently \$210.00.** Depending on the type of damage to the Device, repairs may range from \$35 to \$150, or more, per instance.

The cost of the Optional Protection Plan is \$20 per Device (non-refundable) and runs from the date of payment through the earlier of: (1) the first instructional day of the next academic year; (2) the last day of the current school year for graduating seniors; or (3) the last day of enrollment for exiting students.

**There is no cost for the use of the Device and the Optional Protection Plan is provided by the School purely as a convenience and is not required. As with all School-issued materials and equipment, it is imperative that the Device your student is issued be maintained and handled in a responsible manner and that it remains in operational condition throughout the school year.**

#### Protection Plan Coverage:

Type of Damage	Examples
Liquid	Accidentally spilled drink
Breakage	Broken AC or USB connector or missing keyboard key(s)
Drop or Fall	Cracked screen or broken case
Loss	Stolen from a locker, car or home

The Optional Protection Plan **does not** cover misuse, cosmetic damage, neglect, or intentional damage. Parents/guardians will be responsible for the entire cost of repairs or replacement to Devices damaged through misuse, neglect or intentional damage. BPA has the sole authority to assess damage and determine whether the damage was accidental and thereby eligible for repair/replacement or the result of misuse, neglect, or intentional damage. Multiple events may not be covered by this policy (i.e. more than two damage claims in one year may be deemed neglect and not covered by this policy). Damages caused by a student’s failure to exercise responsibility and due care of the device will be deemed negligent. In case of theft, vandalism, or other criminal acts, an **official police report**, or in the case of fire, an **official fire report** must be immediately sought by the parent/guardian in order to qualify for coverage. This Optional Protection Plan will also replace one (1) lost Device and/or one (1) lost charger cable at no additional cost to the student. However, if the Device and/or charger cable is lost a second time, the student is responsible for the full cost of replacement for the lost item(s). BPA is not liable for the loss, damage, or costs arising from unauthorized use of the school-issued Device.
