

The following is what is commonly referred to as a "Supply List" that teachers send to parents each year so that students can come prepared on the first day of school. You will notice that our list is called "Requested Donations" because BPA is not allowed to charge students or require students to pay for materials and supplies that are needed for daily instruction or activities. However, these supplies are needed to accomplish the vision and mission of BPA, and would be greatly appreciated as donations.

This list of materials is not mandatory and we do not want parents to feel any pressure to purchase items. At the same time, if you would like to donate any of these supplies to your student's classroom, it would be greatly appreciated by the school and especially by your student's teacher.

In order to promote an attitude of sharing, please do not write your child's name on items. Please note that all gifts to the school are tax deductible and all non-cash donations of \$250 or less do not require a receipt.

Students are welcome to purchase backpacks that are in good taste. Lower school students may bring personalized pencil boxes to keep in their student desk. Upper school students will need a lock for their PE locker.

REQUESTED DONATIONS
